# TERRAZZO COLORS CARD

## DESCRIPTION & KEY BENEFITS

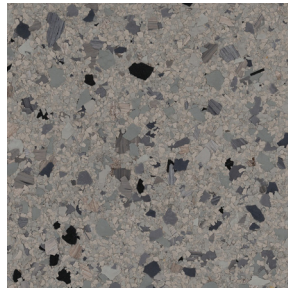

APF Terrazzo Polymer Flake is a versatile decorative media engineered for seamless integration into resinous flooring, wall, and ceiling systems. Made from premium polymer resin, these flakes are specially designed to add a unique aesthetic, enhance durability, and improve slip resistance in commercial, industrial, and residential spaces. Available in 19 color blends, APF Terrazzo Flake allows for endless customization to achieve the desired appearance and performance. Resistant to harsh chemicals and UV degradation, these flakes are perfect for high-traffic areas, creating visually appealing and long-lasting surfaces that withstand the demands of everyday use.
